

A snazzy twist on an old favourite!

Get mum or dad to split a banana lengthways and put it in a bowl. Carefully using a melon baller, make heaps of SEEDLESS WATERMELON balls to pile on top. Dribble with your favourite yoghurt & add some sprinkles or chopped nuts and DIG IN!!!

For more great Seedless Watermelon ideas and some delicious recipes, visit www.seedless.com.au

Remember Seedless Watermelon is available, grown locally in Australia, every day of the year.

It's always summer
somewhere!
